

ALTUSCIO NETWORKS ACQUIRES YOUR COMPUTER GUY, INC. TO ENHANCE OUTSOURCED INFORMATION TECHNOLOGY AND MANAGED INFORMATION SERVICES COMPANY

(Atlanta, GA) May 8, 2009. Altuscio Networks (Altuscio), an Atlanta-based full service Information Technology (IT) company supporting small and medium sized business throughout the greater Atlanta area, announced the acquisition of Your Computer Guy, Inc. (YCG), an Atlanta-based IT solutions company. The combined company will provide a comprehensive suite of managed IT services, remote system monitoring packages, software and database design, business networking and support services, network design and cabling services, IT relocation services, server maintenance and repair, as well as complete telephony system support and other specialty services.

Altuscio Networks is a locally owned and operated company founded in 2000 by Ben Silliman, who will serve as CEO of the combined firm. From inception, Altuscio has grown to support more than 500 clients throughout the metro Atlanta area. Your Computer Guy, Inc. was founded in 1999 by Dan Iverson, who will serve as Senior Systems Engineer for the combined firm. Since opening, YCG has served hundreds of small and medium-size businesses, providing efficient and affordable IT solutions.

According to Mr. Silliman, "The combination of Altuscio and YCG represents a milestone in the evolution of our company's ability to provide enhanced information technology and managed information services capable of addressing the entire workflow for business owners that depend on their various computerized systems to function reliably. Altuscio Networks enables these companies to focus on running and growing their own businesses with the foreknowledge that their systems are scalable, well maintained and can be easily repaired as required, all with less overhead cost or the need for a large internal infrastructure." Mr. Iverson states, "We're excited to be part of the next evolution of outsourced information technology services with the combination of YCG and Altuscio Networks. A top-tier customer list, veteran management team and cutting edge technology puts Altuscio in an impressive and noteworthy position in the Atlanta market and beyond."

###

About Altuscio Networks

Altuscio Networks provides managed information technology services that enable companies to operate their businesses more effectively and cost efficiently. Altuscio Networks has integrated various managed IT services platforms and technologies, with remote reporting and ticketing tools and dedicated highly trained technicians, to offer cost-effective, high-quality outsourced computer services throughout the metro Atlanta area. Altuscio Networks virtually eliminates the need for companies to invest in and maintain diverse IT support infrastructure. Founded in 2000, Altuscio Networks, a DBA of Silliman, Inc., is a privately held company based in Atlanta, Georgia. www.altuscio.com
