

**ALTUSCIO NETWORKS MERGES THE IT CONSULTING GROUP INTO THEIR COMPREHENSIVE MANAGED IT SERVICES COMPANY.**

(Atlanta, GA) January 06, 2011. Altuscio Networks (Altuscio), an Atlanta-based full service Information Technology (IT) outsourcing company supporting small and medium sized business throughout the greater Atlanta area, announced the acquisition of The IT Consulting Group (ITCG) an Atlanta based IT solutions firm. The combined business operations and a number of new technologies, like AltuCloud<sup>SM</sup> hosted IT solutions, are now fully available to the ITCG clients and the company is focused on providing an even greater level of IT support and customer service to its expanded customer base, utilizing a broader and more refined product suite.

According to Mr. Ben Silliman, founder and CEO of the 10 year old IT firm, "During the first three quarters of 2011 we were focused behind the scenes on honing operations to further improve our ability to provide superior service to our existing clients, while also focusing on developing relationships with new customers and working with them so they could get to know us." Silliman added "At the same time we were getting prepared to grow our overall business through our ongoing merger activities, by making sure our back office and technical operations can easily handle increasing workflow, service requests and so forth."

In regard to this merger, Silliman said "we look forward to focusing all of our efforts on servicing our new client's needs and continually enhancing our product suites to best serve all Altuscio customers day-to-day IT needs proactively."

###

**About Altuscio Networks:**

Altuscio Networks provides a wide range of managed information technology services and along with our hosted IT service, that enable companies to operate their businesses more effectively and cost efficiently. Altuscio Networks has integrated various managed IT services platforms and technologies, with remote reporting and ticketing tools and dedicated highly trained technicians, to offer cost-effective, high-quality outsourced computer services throughout the metro Atlanta area and in select areas nationwide. Altuscio Networks virtually eliminates the need for companies to invest in and maintain diverse IT support infrastructure. Founded in 2000, Altuscio Networks, a DBA of Silliman, Inc., is a privately held company based in Atlanta, GA. [www.altuscio.com](http://www.altuscio.com)
